

Amazing Andamans 5 nights / 6 days Holiday Package

📍 Andaman and Nicobar Islands, Andaman and Nicobar Islands, India

The Andaman Islands, located in the east of the Indian mainland geographically, float in splendid isolation in the Bay of Bengal. The Andaman Islands is an idyllic landscape of translucent waters, sun-dappled, white beaches, mangrove wilderness, and coconut groves offering a cool shade to your hammock as it sways gently in the wind.

These picturesque undulating islands are covered with dense rain-fed, damp, and evergreen forests and endless varieties of exotic flora and fauna. Only a few of these Islands can be accessed by tourists, the remaining are out of bounds to protect the right to privacy of the Sentinelese who are to this day wary of contact with the outside world.

For its turquoise waters, sugary sands, and sun-drenched beaches, Havelock is a magnet for ardent divers and leisure seekers. Port Blair's perfect setting and history, home to the Cellular Jail outside of the very British Ross and Viper Islands, will be the perfect starting point for your sojourn into the Andaman Islands.
